

Sabine Patzl, MSc

List of Publications

(Status: December 7, 2021)

Conference Contributions

Patzl, S., & Pietschnig, J. (2022, under review). The (in-)accuracy of self-assessed intelligence: Meta-analytic evidence for a moderate but reproducible correlation between self-assessed and psychometric intelligence. In Pietschnig, J. (Chair), Current perspectives on intelligence: Nature, g, and giftedness. Symposium conducted at the 14. Meeting of the Austrian Society of Psychology (ÖGP).

Patzl, S., & Pietschnig, J. (2021). There is more within you than you think: A meta-analysis of self-assessed and psychometric intelligence. In Pietschnig, J. (Chair), Meta-analyses and Large-Scale Assessments of Intelligence. Symposium conducted at the 16. Biennial Conference of the German Psychological Society - Personality Psychology and Psychological Diagnostics (DPPD) Section.

Patzl, S., & Pietschnig, J. (2021). The Validity of Self-Assessed Intelligence: Reproducible – Modestly-Sized – Somewhat Inflated. Poster at the 21. Annual Conference of the International Society for Intelligence Research (ISIR).

Patzl, S., & Pietschnig, J. (2021). Don't underestimate yourself: A meta-analysis of self-assessed and psychometric intelligence. Rapid Communication Poster at the 32nd International Congress of Psychology (ICP).

Unpublished work

Patzl, S. (2021). You (don't) know best what you can do: A meta-analysis of self-assessed and psychometric intelligence. [Unpublished Master's Thesis]. University of Vienna.

Patzl, S. (2017). Einfluss von Neurotizismus auf die Beziehung zwischen Flexiblen Arbeiten und Arbeitserfolg [The Influence of Neuroticism on the Relationship between Flexible Working Conditions and Work Success]. [Unpublished Bachelor's Thesis]. University of Vienna.
