KEYNOTES, SYMPOSIA, SCIENTIFIC PRESENTATIONS & INVITED TALKS

In total, >220 peer-reviewed talks and posters, >160 invited talks & panel discussions, >20 symposia, & >20 keynotes on various topics at national and international scientific conferences, to policy makers and education stakeholders, and to the broad public.

Selected keynotes:

- Greiff, S.** (2023, December). *Creativity and AI. Complementing or contradicting each other in 21st century education?* Keynote at the Future of Education & Creative Work Conference in Bergen, Norway, 03.12.2023.
- Greiff, S.** (2023, August). *International large-scale assessments and education in the 21st century*. Keynote at the European Conference of Educational Research in Glasgow, Scotland, 22.08.-25.08.2023.
- Greiff, S.** (2023, March). *Artificial intelligence and learning analytics in educational research. An interdisciplinary challenge*. Keynote at the Symposium of Interdisciplinary at University of Poitiers in Poitiers, France, 30.03.2023.

- Greiff, S.** (2022, April). *How to enhance testing and learning. Technology-based assessment in the 21st century*. Keynote at the 18th Conference on Educational Assessment in Szeged, Hungary, 21.04.-23.04.2022.
- Greiff, S. & Bobrowicz, K.** (2022, April). *Large-scale assessments. PISA, PIAAC, and their potential for data science*. Keynote at the lecture series of the Joint Research Data Center at the Central University of Finance and Economics & University of Electronic Science and Technology of China in Beijing, China, 29.04.2022.
- Greiff, S.** (2021, April). *Combining perspectives. A view at learning analytics from the outside*. Keynote at the 11th International Learning and Knowledge (LAK) Conference. Conference held online, 12.04.-16.04.2021.
- Greiff, S.** (2020, September). *(Meta-)Evaluation in secondary and tertiary education*. Keynote at the Meeting of the Network Quality Audit. Meeting held online, 24.09.-25.09.2020.
- Greiff, S.** (2020, September). *Technology-based assessment in 21st century education*. Keynote at the 15th European Conference on Technology-Enhanced Learning and the 18th Annual Conference of GI Educational Technologies Special Interest Group (DELFI). Conferences held online, 15.09.-17.09.2020.
- Greiff, S. & Nicolay, B.** (2020, June). *The benefits of process data analysis for a better understanding of complex psychological constructs*. Keynote at the Workshop Beyond Results: Paving the Way for the Use of Process Data at the Leibniz Institute for Research and Information Education, Frankfurt, Germany, 17.06.-18.06.2020.
- Greiff, S.** (2018, August). *International large-scale studies in the spotlight. Process data, learning analytics, and beyond*. Keynote at the 9th Conference of the EARLI SIG 1 Assessment in Helsinki, Finland, 29.08.-31.08.2018.
- Greiff, S.** (2018, November). *Educational assessment and its prospects in the 21st century*. Keynote at the 19th Annual Meeting of the Association for Educational Assessment in Europe in Arnhem, The Netherlands, 08.11.-10.11.2018.
- Greiff, S. & Johnson, A.** (2017, December). *Computer-based assessments in PISA. Challenges and potentials for research and policy*. Keynote at the Educational Policy Conference in Chisinau, Moldova, 06.12.2018.
- Greiff, S.** (2016, October). *The use of process data to advance our understanding of technology-enhanced assessment*. Keynote at the 2016 International Technology Enhanced Assessment Conference in Tallinn, Estonia, 05.10.-06.10.2016.
- Greiff, S.** (2015, May). *Computer-generated log files and their potential for educational large-scale assessments. The example of PISA 2012 problem solving data*. Keynote at the National Authority for Measurement and Evaluation in Education in Tel Aviv, Israel, 05.05.2015
